Office of the President, Municipal Council
Bangalore city, Dated 26th March 1913.

From Dewan Bahadur
Raja Sabha Bhushana
K. P Puttanna Chetty Esq
Honorary President
Mc Council, Bangalore city.

To The Secretary to the Government of
H. H. the Maharaja of Mysore
Judl & Rev Depts, Bangalore

Sir, With reference to your official memo No
3404 Mc 166-12 dated the 12th November 1912
in re the alterations proposed by this Council
in the revised water Supply Rules, I have the
honor to submit herewith for information, a 4
copy of letter dated the 17th instant from the
Rev Dr Rees, Municipal Councillor, complaining
against the imposition of Meter rent in the
city although the Municipal Council objected to
it when the question came up before them for
opinion. I have reason to think that Rev Rees's
opinion is shared by the other Councillors. The
Municipality levies a water rate at 3%
and the Water Supply Dept recovers,
Excess water charges, besides

2 The imposition of meter rent in addition
to the above will prove a real hardship in the
majority of cases and is already being felt.
I have received many complaints from the public
in the course of my perambulations.

3 I therefore request the favor of early orders
of Govt on this office letter No 98 dated the

29th October 1912 in the matter of altering the revised rules in accordance with the suggestions made by the Municipal Council and that pending final orders of Government on the subject, the election of Mehtars may be ordered to be held in abeyance -

I have &c -

(Sd). K. P. Puttanna Chetty
Strong President

Thorindarrow
For Mg Secy to Govt

Copy of letter dated the 17th March 1913
from Rev D.R. Rees, Municipal Councillor
Bangalore city, to the President, city Municipal
Council, Bangalore -

I have the honor to bring to your notice
the wide-spread dissatisfaction which has
risen among the rate payers of the city in con-
sequence of the imposition of the water meter rate
of Rs one annas per month.

When the proposed new rules of the water
supply Department were considered by the
council this new charge was unanimously
objected to but it is a matter for regret that
without any reference to the Municipal Council
this new charge has been imposed

In the civil & Military Station it
was proposed a few years ago to levy such a
charge from the consumers of water but on
reference to the unanimous opinion of the
Municipal Commissioners the matter was dropped.
No water meter rent is there demanded
and it is under consideration to abolish
meters altogether in certain cases

It appears to me that the consumers
of water within the city limits have just
ground for protest against this charge
especially when it is seen that those who
live across the border are free from this
perpetual charge of Rs 24- per year - I shall
feel obliged if you will bring the matter
before

before the next meeting of the Municipal Council and if thought desirable, make a representation to Govt.
